Sign me up for PETA's Activist Network. (*This will enable us to inform you of upcoming events in your area, give you campaign updates, and pass on ideas and tips for activism. We will, in turn, send your name to others who join the network. Please be aware that although we cannot vouch for everyone who receives these lists, we feel that it is more important to support new activists by providing them with contact names than to refrain from doing so out of fear of the rare individual who may not be genuine.*)
