Dear Mr. Page and officials of Kage Games,

When I read about the new game Dog Wars, I couldn't believe my eyes.

As a mom-to-be and someone who has adopted and loved rescued pit bulls, I join PETA's millions of members in imploring you to cancel this game immediately. If one dog dies as a result of this game, you will not forgive yourself.

Sincerely,

A handwritten signature in black ink, appearing to read 'Alicia', with a long horizontal flourish extending to the right.
