

Directions

1. Cut around the outside of the fortune teller.
2. Fold the square in half twice.
3. Unfold the square, and turn it over so that the blank side is on top. Fold each corner into the middle.
4. Turn over, and repeat step three.
5. Turn over so that the pictures are on top.
6. Fold the square in half, and slide your thumb and forefinger behind two of the pictures.
7. Place the thumb and forefinger of your other hand behind the remaining two pictures.
8. Push your fingers together so that all four corners meet in the middle.
