## Ad unfair to PETA

Jan 30, 2015

I've lived in for most of my adult life. I have seen PETA delivering hay and shelters to outside dogs during the winter, and PETA has provided low-cost sterilization for pets.

PETA has been a good neighbor, a vital part of our community. Yet The Pilot had no trouble running a disgusting ad from someone with an obvious score to settle with PETA. This is very disappointing.
