Subject: Tests on animals

Dear Dr. Cheng,

Thank you for your email. Yes, I confirm that T.Hasegawa will not fund, conduct, or commission any tests on animals that are not explicitly required by law.

For your information, I assigned Dr. Tsukasa Saito, Director in charge of R&D, to follow up on this subject if necessary. If you have further comments, please contact him at:

[REDACTED].

Sincerely,
Takao Umino
