MISCELLANEOUS.

(f) Handling. (1) Handling of all animals shall be done as expeditiously and carefully as possible in a manner that does not cause trauma, overheating, excessive cooling, behavioral stress, physical harm, or unnecessary discomfort.

A NHP became entangled in an enrichment device and perished. Animals must be handled in a manner that minimizes physical harm. From an inspection of the records, the IACUC has investigated the incident and responded appropriately. Corrective measures have been made in an effort to prevent recurrence. This appears to have been an isolated event. Correct from this day forward.

The inspection and exit briefing were conducted with the AV and the undersigned VMO.
