Dear Dr. Gibbens:

On behalf of People for the Ethical Treatment of Animals (PETA) and its 6.5 million members and supporters, this is a formal complaint regarding Louisiana State University (LSU) (Cert. No. 72-R-0003). According to credible reports obtained by PETA from a whistleblower, as well as internal correspondence obtained by PETA from LSU, it appears that in 2018 LSU unlawfully purchased at least 70 live dogs from a community animal shelter located in Baton Rouge. LSU also appears to have failed to maintain the required acquisition and disposition records for these 70 dogs. As a result, if PETA's allegations are substantiated, LSU's conduct would give rise to at least 140 separate violations of the Animal Welfare Act (AWA). Because of the egregious nature of these noncompliances and the flagrant violation of the public's trust, we urge your office to assess the maximum penalty against LSU allowable, of \$1,594,600.¹

LSU's Procurement of Dogs from Local Shelter

Recently, PETA was contacted by an individual formerly associated with Companion Animal Alliance (CAA), an animal shelter located in Baton Rouge. This individual shared records and other troubling information that appear to indicate that LSU has a history of obtaining both cadavers and live animals from CAA for use in lethal anatomy courses and possibly other experimental purposes. The whistleblower identified LSU Professors Martha Littlefield and Charles McCauley as two individuals who have used shelter-sourced animals for teaching and/or experimentation purposes. According to this individual, LSU purchases the cadavers for \$20/each, and the live dogs for \$40/each. The whistleblower provided PETA with a table of data regarding live animals transferred from CAA to LSU. This table included information for 70 dogs who were transferred to LSU in 2018. This information is attached as Exhibit A.

On October 31, 2018, PETA submitted a state open records request to LSU in order to independently corroborate this information. PETA's request sought a variety of records including acquisition records for animals obtained from shelters, as well as correspondence between LSU and CAA. LSU provided 226 pages of responsive material. PETA's request and LSU's complete fulfillment are attached as Exhibit B.

¹ 9 C.F.R. § 3.91(b)(2)(ii)

Included among the responsive material were a number of email exchanges between Alec Vestal-Laborde, who appears to be affiliated with LSU's Department of Comparative Biomedical Sciences,² and a few individuals affiliated with CAA, most often, Amanda Pumilia, Director of Shelter Operations. These emails appear to confirm that LSU routinely procured both live and dead animals from CAA for use in training and/or research in 2018, and may still be continuing to do so. The following excerpts from this correspondence provide relevant evidence of this practice:

- On Friday, January 5, 2018, Ms. Vestal-Laborde wrote: “[t]his is Allison from Dr. Littlefield’s anatomy lab here at LSU...I am checking to confirm animals for next week. We will need them for Tuesday [January 9, 2018].” Ms. Pumilia replied: “I’ll have dogs for Dr Littlefield Tuesday. She wants them brought to her live, correct?” Ms. Vestal-Laborde replied: “[w]e need them here alive and the earlier the better on Tuesday.” Ms. Pumilia responded that the shelter would “have 8 dogs for her.” The records provided to PETA by the whistleblower reflect that 7 dogs were transferred from CAA to LSU on January 9, 2018.
- On January 11, 2018, Ms. Vestal-Laborde wrote that “Dr. Littlefield has now suggested that we wait until Tuesday the 23rd to get more dogs in.” On January 22, 2018, Ms. Pumilia confirmed that the shelter would have 8 dogs available for pickup. The records provided to PETA by the whistleblower reflect that 7 dogs were transferred from CAA to LSU on January 23, 2018.
- On April 4, 2018, Ms. Vestal-Laborde wrote that they needed their “usual 8 live animals if possible” on April 23. On April 12, Ms. Vetsal-Laborde wrote that due to a “small scheduling change” they wanted the dogs on April 24th, not April 23rd, and inquired if they could also “get dogs on May 3rd. Ms. Pumilia replied “[t]hat’s not a problem.” The records provided to PETA by the whistleblower reflect that 7 dogs were transferred from CAA to LSU on April 24, 2018, and 9 dogs were transferred from CAA to LSU on May 3, 2018.
- On May 4, 2018, Ms. Vestal-Laborde inquired if LSU could “get dogs for Tuesday May 8th.” The following day she specified that they were looking for 8 dogs. Ms. Pumilia replied: “[r]ight now I defiantly [sic] have 5. The others that are scheduled [for euthanasia] are aggressive bite case dog [sic]...I’ll try to find 3 more for you.” The records provided to PETA by the whistleblower reflect that 7 dogs were transferred from CAA to LSU on May 8, 2018.
- On May 9, 2018, Ms. Vestal-Laborde inquired if LSU would “be able to get more dogs for next week” because “[s]everal of the males were neutered and [LSU was] not able to use them towards [their] main animal count.” Ms. Pumilia responded “Oh, I’m sorry about that. Yes you can defiantly [sic] get more dogs next week. Tuesday [May 15]?” The records provided to PETA by the whistleblower reflect that 5 dogs were transferred from CAA to LSU on May 15, 2018, and an additional 5 dogs on May 17, 2018.
- On May 25, 2018, Ms. Vestal-Laborde asked if LSU could “get live dogs delivered next Tuesday [May 29, 2018] morning?” Ms. Pumilia replied that the shelter would make available 5 dogs. The records provided to PETA by the whistleblower reflect that 5 dogs were transferred from CAA to LSU on May 29, 2018.
- On July 16, 2018, Ms. Vestal-Laborde wrote “[i]n addition to the intact females that we have already discussed, there is a second batch of dogs that we are now looking for. 4 dogs, 46-80lb, sex/intact does not matter[.] The group needs them to be freshly dead, so we can put them down here with our drugs to help with timing.” On July 24, 2018, Ms.

² See: https://www.lsu.edu/vetmed/cbs/people/research_staff.php.

Pumilia responds “[i]f you can wait until Thursday [July 26] I will have 4 females and 4 males for you.” The records provided to PETA by the whistleblower reflect that 8 dogs were transferred from CAA to LSU on July 26, 2018.

- On Monday, July 30, 2018, Ms. Vestal-Laborde wrote that LSU was “checking to see if any more intact females would be available this week. We are looking for 5 more and would be done then.” Also on July 30, 2018, Ms. Vestal-Laborde wrote that LSU has “live dogs brought to...the LSU Vet School anatomy lab and were hoping that Thursday [August 2, 2018] morning...would work.” On August 1, 2018, Ms. Sarah Hicks from CAA wrote that they “only have 4 female that will fit [LSU’s] specifications.” Ms. Vestal-Laborde replied that they “can make 4 females work if we have to.” Consistent with this email exchange, the records provided by PETA’s whistleblower indicate that 4 dogs were transferred to LSU on Thursday, August 2, 2018.
- On October 8, 2018, Ms. Vestal-Laborde wrote that “Dr. Littlefield is looking for at least 15 cat bodies from which we would need the heads from...They do not need to be alive when they get here and we can also put them down here if needed.”

Despite all of this correspondence which clearly indicates LSU’s routine procurement of live dogs from CAA, LSU provided PETA with no invoices, intake forms, or other official records documenting the acquisition of these dogs, even though such paperwork should have fallen under the scope of PETA’s request. On January 15, 2019, PETA submitted an additional records request for these records, wherein we identified each of the 70 dogs, individually, by their unique identification number.³ LSU replied that it had “no LSU public records responsive to [PETA’s] request.” PETA’s request and LSU’s reply are attached as Exhibit C.

Animal Welfare Act Requirements on Dog Acquisition

As you are aware, the AWA came into existence in 1966 over concerns that experimenters were procuring dogs and cats from illegitimate sources, and worries that former companion animals were ending up in laboratories, where they were used in cruel and deadly experiments. Consequently, the AWA’s provisions regarding procurement of dogs and cats are among the law’s clearest and most stringent requirements. For each of these 70 dogs, it appears that LSU has committed two separate violations, for a total of 140 violations.

First, 7 U.S.C. § 2137 states that it “shall be unlawful for any research facility to purchase any dog or cat from any person except an operator of an auction sale subject to section 2142 of this title or a person holding a valid license as a dealer or exhibitor...pursuant to this chapter.” As a community animal shelter, CAA does not possess a valid USDA license as a dealer or exhibitor.

Second, even if this were a lawful source, 9 C.F.R. § 2.31 requires that LSU “make, keep, and maintain records or forms which fully and correctly disclose...information concerning each live dog or cat purchased or acquired, transported, euthanized, sold or disposed of by the research facility.” In two separate records requests, PETA asked LSU for these records, and in both cases, LSU represented that it had no responsive records. Given the fact that LSU was already engaged in disallowable conduct by procuring these animals from this illegal source, it is unsurprising that LSU would fail to keep records which document its unlawful conduct. Nevertheless, because LSU failed to keep records regarding the acquisition and disposition of these animals, in violation of the AWA’s recordkeeping requirements.

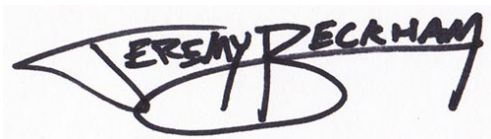

³ LSU has a legal obligation to maintain these records pursuant to 7 U.S.C. § 2140 and the pursuant AWA regulations.

Further, the correspondence obtained by PETA strongly suggests that LSU personnel often intended on using and killing the dogs obtained by CAA almost immediately after the animals arrived at the facility. If this is the case, LSU would also be in noncompliance with the AWA requirement that research facilities hold dogs obtained from non-USDA licensed or exempt sources for a period of at least “5 full days, not including the day of acquisition...before they may be used by the facility.”⁴ Although PETA doesn’t have conclusive documentation that indicate when these dogs were used or killed, we strongly urge your office to probe this matter.

The AWA empowers APHIS to investigate AWA noncompliances and assess a penalty of up to \$11,390 per violation. LSU’s apparent illegal procurement of animals from a community shelter for deadly anatomy courses, and possibly other uses, is not only a violation of the AWA, it is a grave betrayal of public trust which violates some of the most longstanding AWA statutes and regulations. LSU’s conduct is even well outside industry norms of patterns and practice for the animal research community. As a result, if PETA’s allegations are found to be true, we are asking that APHIS assess the maximum penalty for these 140 violations of \$1,594,600.

Thank you for your prompt attention to this matter. I look forward to hearing from you, and I am able to assist your investigation in any way possible. Once this investigation is complete, I would appreciate being notified of the outcome. I can be reached at JeremyB@peta.org or 801-994-6730.

Sincerely,

A handwritten signature in black ink that reads "JEREMY BECKHAM". The signature is stylized, with the first name and last name clearly legible.

Subject: Records Request from PETA re Use of Animals from Shelters

October 31, 2018

LSU President F. King Alexander

Louisiana State University
3810 W. Lakeshore Dr.
Baton Rouge, LA 70808

Sent via email: drichards@lsu.edu <<mailto:drichards@lsu.edu>>

Dear Mr. Alexander:

Pursuant to the state open records law La. Rev. Stat. Ann. Secs. 44:1 to 44:41, I write on behalf of People for the Ethical Treatment of Animals (PETA) to request the following records (January 1, 2011 – present):

- Any written agreements, memorandums, or contracts between any employee, department, or school of Louisiana State University (LSU), including the School of Veterinary Medicine, and any animal shelter, including the Companion Animal Alliance (CAA).
- Invoices, intake records, transfer records, or any other record of sale or acquisition related to any live or dead dog and/or cat acquired by LSU from any animal shelter, including CAA.
- Any and all photographic or videographic records of dogs and/or cats acquired by LSU from any shelter, including CAA.
- Any written LSU policies governing the use of animals procured from animal shelters, including any animal used for teaching, surgical, research, or experimentation purposes.
- Any correspondence, including emails, letters, and text messages concerning the acquisition of live or dead animals from any

shelter, including CAA, for use in teaching or research, from or to any of the following individuals associated with LSU: (1) Alee Vestal-Laborde, Dept. of Comparative Biomedical Sciences, (2) Wendy Wolfson, Assistant Professor, (3) Charles McCauley, Director of Veterinary Clinical Sciences, and/or (4) Martha Littlefield, Associate Professor.

- The titles of any animal use protocol that allow for the use of dogs and/or cats procured from animal shelters.
- Final disposition records of any animals obtained from animal shelters.

PETA is a non-profit public interest animal protection organization whose federal tax-exempt number is 52-1218336. As such, PETA requests that a non-profit fee, if available, be applied to the request, or that fees be waived. PETA has no commercial interest in the records requested but seeks them strictly in an effort to ensure the public is fully informed about operations and regulations involving the use of animals in laboratories (an issue of well-established public importance). If the foregoing request for a non-profit fee is denied, and fees are expected to exceed \$50.00, please notify me to this effect before this disclosure request is processed.

I prefer electronic delivery of responsive records. The requested documents can be emailed to me at JeremyB@peta.org <<mailto:JeremyB@peta.org>> . If that is not possible, please mail them to the address contained in my signature below.

I would request your response within ten (10) business days.

If you choose to deny this request, please provide a written explanation for the denial including a reference to the specific statutory exemption(s) upon which you rely. Also, please provide all segregable portions of otherwise exempt material.

Thank you for your attention to this matter. Please do not hesitate to get in touch with me if you have any questions or require clarification as to the scope of my request.

Sincerely,

Jeremy Beckham, MPA, MPH, CPH

RE: RESOLUTION NO. 16-218 (CEA - LSU SHELTER MEDICINE PROGRAM - ANIMAL SHELTER)

Dear Sir or Madam:

The Lafourche Parish Council, convened in regular session on June 14, 2016, adopted Resolution No. 16-218 (see attached), approving a Cooperative Endeavor Agreement between Lafourche Parish Government and LSU Shelter Medicine Program to provide services to the Lafourche Parish Animal Shelter; and authorizing the Parish President to sign, execute and administer said agreement and any and all relevant documents.

If I may assist you with any further Legislative matters, please contact me by phone at (985) 446-8427, by fax at (985) 449-4012 or by e-mail at councilclerk@lafourchegov.org.

Sincerely,

LAFOURCHE PARISH COUNCIL

Carleen B. Babin
Council Clerk

On motion by Armand "Noonie" Autin, seconded by Corey Perrillieux, the following resolution was introduced and adopted:

RESOLUTION NO. 16-218

RESOLUTION APPROVING A COOPERATIVE ENDEAVOR AGREEMENT BETWEEN LAFOURCHE PARISH GOVERNMENT AND LSU SHELTER MEDICINE PROGRAM TO PROVIDE SERVICES TO THE LAFOURCHE PARISH ANIMAL SHELTER; AND AUTHORIZING THE PARISH PRESIDENT TO SIGN, EXECUTE AND ADMINISTER SAID AGREEMENT AND ANY AND ALL RELEVANT DOCUMENTS.

WHEREAS, Lafourche Parish Government wishes to continue to partner with LSU, an institution of higher education, so that LSU may continue to provide necessary services to the Lafourche Parish Animal Shelter which serves the residents of the Lafourche community; and

WHEREAS, it is agreed between the parties that LSU shall provide services to the Lafourche Parish Animal Shelter for a fee of \$150.00 per visit as well as any additional fees for surgeries, vaccines, and/or medications; and

WHEREAS, this resolution was sponsored for Administration by Mr. Armand Autin, Councilman, District 7; and

WHEREAS, it is recommended by the Administration of Lafourche Parish Government that the Council does hereby approve a Cooperative Endeavor Agreement between Lafourche Parish Government and LSU Shelter Medicine Program to provide services to the Lafourche Parish Animal Shelter; and authorizes the Parish President to sign, execute and administer said agreement and any and all relevant documents.

THEREFORE, BE IT RESOLVED, that the Lafourche Parish Council convened in regular session on June 14, 2016, and hereby approves a Cooperative Endeavor Agreement between Lafourche Parish Government and LSU Shelter Medicine Program to provide services to the Lafourche Parish Animal Shelter; and authorizes the Parish President to sign, execute and administer said agreement and any and all relevant documents.

BE IT FURTHER RESOLVED, that a certified copy of this resolution shall be forwarded to: LSU Shelter Medicine Program, ATTN: Dr. Wendy Wolfson, Skip Bertman Drive, Baton Rouge, LA 70803; and Lafourche Parish Government: Department of Community Services, Animal Shelter, Department of Finance, and the Office of the Parish Administrator.

This resolution having been submitted to a vote, the vote thereon was as follows:

YEAS: Mr. Jerry Jones
Mrs. Luci Sposito
Mr. Michael T. Gros
Mr. Aaron "Bo" Melvin
Mr. James H. Bourgeois
Mr. Corey Perrillieux
Mr. Armand "Noonie" Autin
Mr. Jerry LaFont
Mr. Daniel Lorraine

NAYS: None

ABSENT: None

And the resolution was declared adopted this 14th day of June, 2016.

JERRY LAFONT, CHAIRMAN
LAFOURCHE PARISH COUNCIL

CARLEEN B. BABIN, COUNCIL CLERK
LAFOURCHE PARISH COUNCIL

* * * * *

I, CARLEEN B. BABIN, Council Clerk for the Lafourche Parish Council, do hereby certify that the foregoing is a true and correct copy of Resolution No. 16-218, adopted by the Assembled Council in Regular Session on June 14, 2016, at which meeting a quorum was present.

GIVEN UNDER MY OFFICIAL SIGNATURE AND SEAL OF OFFICE THIS 15TH DAY OF JUNE, 2016.

CARLEEN B. BABIN, COUNCIL CLERK
LAFOURCHE PARISH COUNCIL

**STATE OF LOUISIANA
PARISH OF LAFOURCHE**

COOPERATIVE ENDEAVOR AGREEMENT

This Cooperative Endeavor Agreement is entered into this 20th day of June, 2016
by and between:

Lafourche Parish Government, whose mailing address is Post Office Drawer 5548, Thibodaux, Louisiana 70302, hereinafter referred to as PARISH and represented by its Parish President, James B. Cantrelle,

And

LSU Shelter Medicine Program, Skip Bertman Drive, Baton Rouge, Louisiana 70803, hereinafter referred to as LSU and represented by its Director of Animal Shelter Medicine, Dr. Wendy Wolfson.

1. PURPOSE AND SCOPE

The PARISH is partnering with LSU, an institution of higher education, so that LSU may provide necessary training services to the Lafourche Parish Animal Shelter Staff which serves the residents of the Lafourche community.

2. GENERAL CONDITIONS

This agreement is pursuant to Lafourche Parish Council Resolution 16-218 of the June 14, 2016 Council meeting and as approved by LSU. Said agreement shall terminate on December 31, 2016.

3. TERMS

It is agreed between the parties that:

a. LSU shall:

- i. Provide services to the Lafourche Parish Animal Shelter as follows: Training classes for LPAS Staff on a monthly or bi-monthly basis. Provide surgery, at the Animal Shelter Manager's discretion, regarding the type of surgeries and number of animals to be serviced. Costs are as follows: Use of mobile spay/neuter unit--\$150.00 per visit; Spays--\$40.00 each; Neuters--\$20.00 each; Rabies vaccines (if needed)--\$15.00 each; Flea medication (if needed)--\$5.00 each; Pain medication, nail trim, ear cleaning, tattooing—no charge.

b. The PARISH shall:

- i. Provide payment to LSU in the amount of \$150.00 per visit/use of mobile spay/neuter unit at the Lafourche Parish Animal Shelter, as well as any fees associated with surgeries, vaccines, and/or medications, as recommended by the Animal Shelter's manager.

4. INSURANCE

Applicant shall furnish Government with certificates of insurance evidencing the coverage and conditions required by this agreement, and such certificates shall comply with "Exhibit A" (copy attached) of this agreement. Commencement of project/work without the required certificates of insurance, or without compliance with any other provision of this agreement, shall not constitute a waiver by Government of any rights to this agreement.

THUS DONE AND SIGNED this 20th day of June, 2016 in Thibodaux, Louisiana.

LAFOURCHE PARISH GOVERNMENT INSURANCE REQUIREMENTS

EXHIBIT "A"

1. GENERAL REQUIREMENTS

Each of the insurance policies maintained by Contractor for work/services performed under this agreement must be endorsed as follows, in addition to any other requirements:

- A. To provide to Lafourche Parish Government thirty (30) days written notice of changes in coverage or cancellation in accordance with contract terms. Changes in coverage or cancellation can be cause for termination of contract.
- B. For liabilities and indemnities assumed by Contractor under this agreement, Contractor's Insurance policies (except with respects to Worker's Compensation, Professional Liability, and Employer's Liability) shall name Lafourche Parish Government as additional insured.
- C. For liabilities and indemnities assumed by Lafourche Parish Government under this agreement, Contractors insurance policies shall provide that the Contractors' insurers waive their rights of subrogation against Lafourche Parish Government, its elected officials, employees, volunteers, and their insurers.
- D. It is understood and agreed that such insurance provided by Contractor shall be primary to and receive no contribution from any insurance maintained by or on behalf of Lafourche Parish Government. Lafourche Parish Government shall not be responsible or liable for any deductibles, self insured retentions and/or premiums of Contractor's insurance.
- E. It is further understood and agreed that such insurance provided by Contractor shall not be reduced, voided, waived or in any other manner limited with respect to Subcontractors. Contractors shall include all Subcontractors as insureds under its policies or shall be responsible for verifying and maintaining the Certificates provided by each subcontractor. Subcontractors shall be subject to all of the requirements stated herein. The Agency reserves the right to request copies of Subcontractor's Certificates at any time.
- F. Certified Copies of insurance certificates shall be made part of any contract executed. Lafourche Parish Government reserves the right to request production of certified copies of all required insurance policies at any time.
- G. Any deductibles or self-insured retentions must be declared and approved by Lafourche Parish Government. Prior to entering into this agreement, and at the option of the Lafourche Parish Government either, the Parish shall accept and approve the deductible or self-insured retention, the insurer shall reduce or eliminate such deductibles or self-insured retentions with respect to the Parish, or the vendor shall procure a bond guaranteeing payment for losses and related investigations, claim administration and defense expense.
- H. Insurance is to be placed with insurers with an A. M. Best's Rating or no less than A-VI or higher. This requirement could be waived for workers' compensation coverage only for those vendors whose workers' compensation coverage is placed with companies who participate in the Louisiana Workers' Compensation Corporation.

- I. Lafourche Parish Government reserves/maintains the right to increase the minimum insurance requirements based on the project specifications.

2. MINIMUM INSURANCE REQUIREMENTS

The required limits for coverage are as follows:

- A. Workers' Compensation, as required by statute, and Employee's Liability Insurance, \$1,000,000 limits (per accident/per disease/per employee), covering Contractor's employees engaging in work/services under this agreement in compliance with applicable state, federal and/or maritime laws. Lafourche Parish Government its elected officials, employees, and volunteers shall be provided with a waiver of subrogation as well as listed as Alternate Employer. Contractor expressly agrees to comply with all provisions of the Workers' Compensation Laws of the state or federal jurisdiction where the work/service is being performed. For work/services performed on or near water, and where applicable, the policy should be endorsed to provide the Harbor Workers' Compensation Act, and/or Maritime Operations coverage, Maritime Employer's Liability Including wages, maintenance and transportation, and coverage for Master and Crews.
- B. Automobile Liability Insurance shall have a minimum combined single limit per occurrence of \$1,000,000. This insurance shall include third party bodily injury and property damage liability for owned, hired, and non-owned vehicles.
- C. Architects, Engineers, and other Professionals shall maintain Professional Liability Coverage with minimum limits of \$1,000,000. The coverage shall extend to all professional subcontractors employed by said Architect, Engineer and other Professionals.
- D. Builder's Risk insurance shall be in an amount equal to the greater of the fully-completed project value or the amount of the construction contract including any amendments and shall be upon the entire work included in the contract. The policy provided coverage equivalent to the ISO for number C P 10 20, Broad Form Causes of Loss (extended to, if necessary, to include the perils of wind, earthquake, collapse, vandalism/malicious mischief, and theft, including theft of materials whether or not attached to any structure. The policy must include architects' and engineers' fees necessary to provide plans, specifications and supervision of work for the repair and/or replacement of property damage caused by a covered peril, not to exceed 10% of the cost of the repair and/or replacement.
- E. Commercial General Liability insurance, \$1,000,000 limit, covering 3rd party bodily injury and property damage to include the following:
 - Premises and Operations coverage;
 - Contractual Liability covering liabilities assumed under this Agreement;
 - Products and Completed Operations Coverage;
 - Action Over/Indemnity Buyback/
 - Underground resources liability endorsement (when applicable);
 - Pollution liability coverage, when applicable
 - Personal and Advertising Injury Liability (when applicable)
- F. Aircraft Liability insurance when aircraft (including fixed wing and helicopters) that are owned, rented or chartered are used in the operation under this agreement. The required limit of liability is \$1,000,000 combined single limit to include passenger liability. If owned aircraft are utilized, then a waiver of

subrogation in favor of Government should also be provided for Hull Damage to the craft. Company will be restricted from flying over populated area.

- G. Marine Liability, Charters Legal Liability, and Towers Liability insurance including but not limited to tugs, vessels or barges that are owned, rented, or chartered and used in the operations under this agreement. The required limit of liability is \$10,000,000 which can be provided under a separate, stand alone policy or under Contractor's Commercial General Liability or Excess/Umbrella Liability Coverage.
- H. Watercraft Hull Damage insurance if owned watercraft are utilized, including a waiver of subrogation in favor of Lafourche Parish Government.(when applicable)
- I. Excess Umbrella insurance may be used to meet the minimum requirements for General Liability and Auto Liability Only. Minimum coverage must total \$1,000,000.00.

Dr. Wolfson

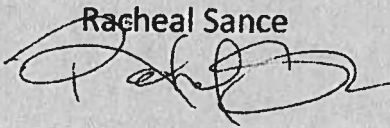

I wanted to thank you for allowing us the opportunity to have our shelter cats altered, vaccinated, and tested through your program at LSU. We are a small shelter without a vet on staff and because there is usually a 5-7 day wait for surgery appointments many of our animals do not get adopted. Cats are especially difficult for us to adopt out, in part because of our adoption fees are more expensive than most local shelters.

By allowing us to participate in your program you are greatly increasing the chance of our animals being adopted or finding rescue. Last month was our first time bringing cats to LSU and coincidentally it was the first month since I started last August where we were completely full and taking cats in by the hour. I sent out a plea for help and explained we had almost a dozen shelter cats vetted and ready for adoption or rescue and didn't have a single open kennel so euthanasia was a serious possibility for many of them.

I was amazed when several groups stepped up and the number of cats accepted to rescue in the first day totaled 20. Yes, 20! The following day 3 additional cats went to rescue and the following week 2 more went to a rescue. To top that off we also had 3 adoptions. Because of your help we were able to successfully find homes or rescue for a total of 28 cats in just over a 2 week period. Had I not been able to send out an email saying many of them were already vetted I don't think the response would have been anywhere near what we actually received.

It has been a pleasure working with your team of veterinarians and students and I'm very much looking forward to continuing with you all in the months to come. From the bottom of our hearts here in St. John.... Thank You!

Racheal Sance

Sonia,

The LSU Shelter Medicine Program is looking forward to working with you. Our visits will offer onsite health evaluations for your shelter pets. Faculty and students will perform heartworm testing, physical exams, medicate with heartworm prevention and perform skin scrapings. Each aspect will supply healthier pets for adoption. Many of our students are from your area and this will be their first time visiting the shelter.

Our routine visits are 150\$ to cover gas and mileage. If there are unforeseen treatments or testing there will be an extra charge. We usually combine billings in order send out fewer bills.

Please make check payable to:

Shelter Medicine Program
Skip Bertman Drive
Baton Rouge, LA 70803

Dear Dr. Wolfson,

I have recently become familiar with the LSU Clinical Shelter Medicine Rotation program through Jeanie Casanova with Friends Underwriting Rescues (FUR) advocacy organization and our parish shelter director, Patricia Street. As a rural parish with limited funds, we are constantly seeking assistance from community groups and organizations not only for help for the care and adoption of our shelter animals but also to learn and to assist in the learning process in better practices for shelter animal care.

The opportunity to partner with LSU would greatly assist everyone who is working to improve the conditions of our shelter. We would be very interested in having our shelter become a part of the Shelter Medicine Rotation program and to benefit from the educational opportunity that is offered.

Please let me know what additional information you may need from us. Thank you in advance for your consideration.

Sincerely,

W.K. Bill Fontenot, Jr.
St. Landry Parish President.

Walker animal control

Have shelter order vaccine and dewormers

Vaccinate and deworm every non-ill animal on arrival

Have a certified euthanasia technician to move from using the chamber to individual animal euthanasia

Until c.a.e.t is found, tranquilize every animal prior to euthanasia

Move adoptable cats into extra front office space and order new cat cages

Eliminate both ends of the building

Remove paneling from all walls

Give animals elevated sleeping areas in kennel

Outside exercise pens made of hurricane fencing and gravel bottom in locked yard outside of euthanasia room

Spay and neuter all animals before adopting out and increase adoption fee accordingly

Utilize LSU's new spay/neuter course to achieve the above

Policy & procedure

West Baton Rouge Proposal for LSU Shelter Medicine Visitation

LSU Shelter program will provide health exams ten times per year or approximately once monthly. During this visit faculty and students will provide physical examinations, heartworm smear tests and fecal exams if needed. We can also give booster vaccinations and deworming if the shelter has these products. We will also administer Rabies vaccinations for those animals old enough to receive these shots. The shelter must provide the vaccine. Due to possible liability the program will not examine dangerous or vicious animals.

LSU Shelter Program will also provide 25 surgeries per year. Surgery includes anesthesia, pain control, nail trim, flea medication and tattoo for dogs and cats. We will provide surgery for healthy animals who are under 20 pounds. Surgical services will be provided at the shelter facility using our mobile surgical unit. The electrical outlet should be in proper working order.

Our program is also available to help with animal cruelty, neglect and cases of hoarding.

If there are surgical complications, Dr. Wolfson should be alerted in a timely manner. Complications are the financial responsibility of the shelter.

Thank you for this opportunity

Dr W Wolfson

Dr B Duhon

For these services the fee is \$2500 per 12-month period.

Check should be made to:

COOPERATIVE ENDEAVOR AGREEMENT
BETWEEN THE
LOUISIANA DEPARTMENT OF PUBLIC SAFETY AND CORRECTIONS,
CORRECTIONS SERVICES, DIXON CORRECTIONAL INSTITUTE
THE HUMANE SOCIETY OF THE UNITED STATES
AND
LOUISIANA STATE UNIVERSITY SCHOOL OF VETERINARY MEDICINE

AGREEMENT # 646555

1) MAILING ADDRESS: a) The Humane Society of the United States 200 L. Street, NW b) LSU School of Veterinary Medicine Skip Bertman Drive	2) CITY, STATE, ZIP CODE: a) Washington, DC 20037 b) Baton Rouge, Louisiana 70803
3) FEDERAL TAX I.D. NUMBER OR SOCIAL SECURITY NUMBER: a) b) 72-6000848 29	4) LICENSE OR CERTIFICATE NUMBER:

THIS AGREEMENT made this day of, 2007, by and between The Humane Society of the United States, a Delaware not-for-profit corporation with headquarters located at 2100 L Street, N.W., Washington, D.C. 20037 (hereinafter referred to as The HSUS), the Louisiana State University School of Veterinary Medicine (hereinafter referred to as Agency), represented by David Senior, BVSc Professor and Head of Veterinary Medicine, and the STATE OF LOUISIANA, DEPARTMENT OF PUBLIC SAFETY AND CORRECTIONS, (hereinafter referred to as the "Department"), represented by Richard L. Stalder, Secretary and Dixon Correctional Institute (DCI), represented by James M. LeBlanc, Warden.

WHEREAS, Article VII, Section 14(C) of the Constitution of the State of Louisiana states "For a public purpose, the state and its political subdivisions or political corporations may engage in cooperative endeavors with each other, with the United States or its agencies, or with any public or private association, corporation or individual"; and

WHEREAS, the Department desires to enter into a cooperative endeavor with an Agency and/or The HSUS for the establishment of a permanent and emergency temporary animal shelter on the grounds of DCI.

NOW, THEREFORE, the parties hereby enter into a Cooperative Endeavor Agreement with DCI as outlined below:

1. Purpose. The signatories to this Cooperative Endeavor are committed to long-term efforts to protect the animals of southern Louisiana; as well as to comprehensive training of future veterinarians in shelter environments and to programs promoting the rehabilitation of those incarcerated at DCI. In furtherance of this goal, the parties agree that the purpose of this Agreement shall be:
 - (a) To establish an additional permanent shelter facility for the region in which companion animals from local shelters and humane organizations may be housed, on a rotating basis, at DCI;
 - (b) To offer a long-term opportunity for DCI inmates to incorporate animal care, handling, training and socialization into their rehabilitation regimen;
 - (c) To allow veterinary medical students from the LSU School of Veterinary Medicine, under the supervision of the surgical and program faculty, a venue in which to hone their spay/neuter surgical skills and experience shelter-based medicine;
 - (d) To reduce the strain of overpopulation on shelters and humane organizations in the region by giving them an overflow facility for animals that need temporary care prior to adoption;

- (e) To augment regional spay/neuter initiatives and reduce the long-term stray and unwanted companion animal populations; and
 - (f) To create a facility which would be made available as a temporary emergency animal shelter for The HSUS National Disaster Animal Response Team during evacuation and rescue efforts resulting from future storms or emergency situations.
2. Facilities. The Department and DCI agree to construct two structures (hereinafter "Facilities") on the grounds of DCI. DCI will determine the location, design and scope of animal care facilities. In order for DCI to provide inmates labor for the construction of the facilities, the Department will seek exemption from the Capital Outlay limit on building funds via Governor's Executive Order.
- (a) Holding Facility/Surgical Suite: 50' x 110' x 12' (turn-key) permanent surgical/shelter facility with the capacity to house 40 small animals in 4'x 6' kennels for year-round use; and
 - (b) Temporary Emergency Shelter: 75' x 150' x 12' temporary emergency shelter (consisting of metal roof and open sides on a concrete slab) with the capacity to house between three hundred (300) and five hundred (500) small animals. The parties agree that the facilities shall be the property of the Department and DCI.
3. DCI and the Louisiana State University School of Veterinary Medicine, working with local shelters and humane organizations, will create a program whereby animals from local shelters and/or rescue groups are brought to the Holding Facility/Surgical Suite to receive socialization through interaction with inmates at the facility, and medical and spay/neuter services furnished by LSU veterinary medical students and faculty. The LSU School of Veterinary Medicine agrees to incorporate the DCI facility into its off-site rotation schedule for elective students. The parties agree that The HSUS, while maintaining an interest in the ongoing programs at DCI, will have no management or financial support role in the operation or future development of those programs. DCI may consider allowing a state or local entity to manage and raise funds to operate the facility as a local community shelter.
4. Emergencies. The Department and DCI agree that should an emergency occur in which animals from elsewhere in Louisiana have to be evacuated, DCI shall permit The HSUS National Disaster Animal Response Team to use the Facilities to accommodate evacuated pets and will work with The HSUS to expand the Temporary Emergency Shelter to accommodate the volume of evacuated pets.
5. Grant. The HSUS agrees to grant the Department up to Six Hundred Thousand Dollars (\$600,000) for constructing and equipping the facilities as set forth below:
- (a) An initial grant of One Hundred Thousand Dollars (\$100,000) will be provided to the Department upon The HSUS's receipt and approval of architectural plans for the Facilities as well as a copy of the fully-executed cooperative endeavor agreement between the Department, DCI, and LSU School of Veterinary Medicine.
 - (b) Five additional grants of One Hundred Thousand Dollars (\$100,000) each shall be provided to the Department upon The HSUS's receipt and approval of documents substantiating the expenditures outlined in the proposed budget attached hereto as Exhibit "A".
 - (c) The final One Hundred Thousand Dollar grant shall be made at a dedication ceremony to be arranged by the Department and DCI celebrating this Agreement and completion of construction.
6. Memorial. The Department and DCI agree to place a permanent sign on each building in a prominent location that memorializes the joint efforts and contributions to provide the buildings and equipment. Such sign shall read:

This structure is dedicated to the Citizens of the State of Louisiana and is provided through the cooperative efforts of the Department of Public Safety and Corrections, Staff and Inmates of Dixon Correctional Institute, The Louisiana State University School of Veterinary Medicine, and

1117 #00-0040300

The Humane Society of the United States. Funding for this facility was provided by the generous contributions of people across the country who are committed to the ideals of basic animal welfare and support efforts to plan for the welfare of animals before, during, and after a disaster. Dedicated this _____ day of _____, 2007.

STANDARD PROVISIONS:

Agency and/or The HSUS understand and agrees that violation of any of the following special conditions shall be cause for immediate cancellation of this agreement without prior notice:

A. Warden's Policy

- (i) While on the institutional grounds, the Agency and/or HSUS personnel will strictly adhere to all federal, state and local laws and institutional directives.
- (ii) Any person may be barred from the institution or removed from the institution if it is in the best interest of the Department.
- (iii) If requested to do so by the Warden, the Agency and/or HSUS personnel must leave the institution grounds immediately.

B. The Agency agrees to abide by the requirements of the following as applicable: Americans with Disabilities Act of 1990, Title VI and VII of the Civil Rights Act of 1964 as amended by Equal Opportunity Act of 1972, La. R.S. 15:574.12, Confidentiality, Vietnam Era Veteran's Readjustment Assistance Act of 1974, Title IX of the Education Amendments of 1972, the Age Act of 1972, Federal Executive Order 11246 and the Federal Rehabilitation Act of 1973, as amended. The Agency agrees not to discriminate in its employment practices, and will render services under this agreement without regard to race, color, religion, sex, sexual orientation, national origin, veteran status, political affiliation, or disabilities. Any act of discrimination committed by Agency or failure to comply with these statutory obligations when applicable shall be grounds for termination of this agreement.

C. The HSUS agrees that all it shall abide by the requirements of the following with respect to HSUS personnel who uses the Facilities to accommodate evacuated pets during an emergency: Title I of the Americans with Disabilities Act of 1990, Title VI and VII of the Civil Rights Act of 1964, La. R.S. 15:574.12, Federal Executive Order 11246, the Older Workers Benefits Protection Act of 1990, and the Age Discrimination in Employment Act of 1967. Breach of this paragraph shall be grounds for termination of this Agreement

D. Indemnification.

- (i) The Agency agrees to protect, defend, indemnify, save and hold harmless the State of Louisiana, all State Departments, Agencies, Boards and Commissions, its officers, agents, servants and employees, including volunteers, from and against any and all claims, demands, expense and liability arising out of injury or death to any person or the damage, loss or destruction of any property which may occur or in any way grow out of any act or omission of the Agency its agents, servants, and employees and any and all costs, expense and/or attorney fees incurred by the Agency as a result of any claim, demands, and/or causes of action except for those claims, demands and/or clauses of action arising out of the negligence of the Department, its agents, representatives, and/or employees. The Agency agrees to investigate, handle, respond to, provide defense for and defend any such claims, demands, or suit at its sole expense and agrees to bear all other costs and expenses related thereto, even if it (claim, etc.) is groundless, false, or fraudulent.
- (ii) The HSUS agrees to protect, defend, indemnify, save, and hold harmless the State of Louisiana, all State Departments, Agencies, Boards and Commissions, its officers, agents, servants and employees, including volunteers, from and against any and all claims, demands, expense — including costs and reasonable attorney's fees — and liability arising out of injury or death to any person or the damage, loss or destruction of any property which may occur or in any way grow

out of any negligent act or omission of The HSUS, its agents, servants, and employees arising out of The HSUS' use — if any — of the Facilities.

- (iii) The Department agrees to protect, defend, indemnify, save, and hold harmless The HSUS, its officers, agents, servants and employees, including volunteers, from and against any and all claims, demands, expense — including costs and reasonable attorney's fees — and liability arising out of injury or death to any person or the damage, loss or destruction of any property arising out of negligence of the Department, its agents, representatives, and/or employees.

E. Any party shall be excused from performance under the contract for any period that the party is prevented from performing any services in whole or in part as a result of an act of God, strike, war, civil disturbance, epidemic or court order provided the party had prudently and promptly acted to take any and all corrective steps that are within the Party's control to ensure that the party can promptly perform. In the event that the Department is prevented from commencing or completing construction of the Facilities, The HSUS shall be excused from its obligation to provide the Department with any further grant described above.

F. The Department, Agency and/or The HSUS may terminate this agreement with or without cause at any time by giving thirty (30) days written notice to either party. The Department has the right to cancel this agreement upon less than thirty (30) days due to budgetary reductions or changes in fund priorities of the State as stated hereinabove. In the event The Department or Agency terminates this agreement, The HSUS shall be excused from its obligation to provide the grant described in ¶ 5 above.

G. Notices. All notices and other communications required to be given pursuant to this Agreement must be in writing and delivered by hand; mailed by United States registered or certified first class mail, postage prepaid; or delivered by regulated commercial carrier having provisions for proof of receipt (such as Federal Express) as follows:

If to The HSUS:

The Humane Society of the United States
Attn: Melissa Seide Rubin
700 Professional Drive
Gaithersburg, MD 20879-3418

With copy to:

The Humane Society of the United States
Attn: Rebecca Brennan Branzell, Deputy General Counsel
2100 L Street, NW
Washington, DC 20037

If to Agency:

Louisiana State University
Office of Sponsored Programs
Attn: James L. Bates, Director
330 Thomas Boyd Hall
Baton Rouge, Louisiana 70803

If to Department:

Dixon Correctional Institute
Attn: James M. LeBlanc
Post Office Box 788
Jackson, Louisiana 70748

H. Integration. This Agreement sets forth the entire agreement between the parties with respect to the subject matter hereof and supersedes all previous negotiations, agreements,

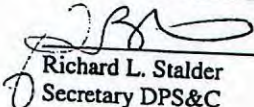

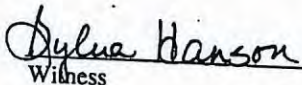

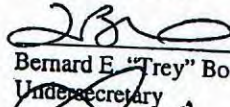

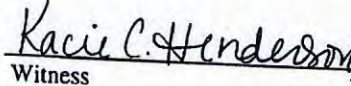

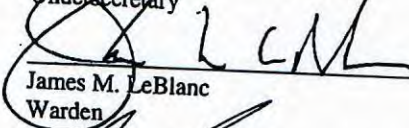

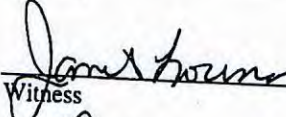

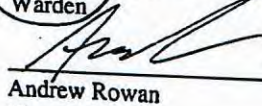

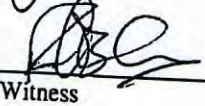

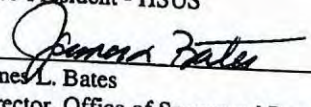

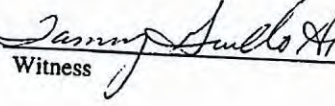

and understandings, whether written or oral. This Agreement may not be modified or amended except by written agreement executed by the parties hereto and expressly identified as an amendment to this Agreement.

- I. Paragraph Headings. The headings of the sections and paragraphs of this Agreement are provided solely for convenience of reference and shall not be used in interpretation of this Agreement.
- J. Waiver. No waiver of any term or provision of this Agreement shall be deemed effective unless such waiver is in writing and signed by the party to be charged with such waiver. The failure or delay of any party to exercise in any respect any right provided for in this Agreement shall not be deemed a waiver of any right under this Agreement.
- K. Severability. In the event any of the terms or conditions of this Agreement are deemed invalid by a competent tribunal, such terms shall be deemed severed from this Agreement, which shall, as so modified by the severance, in all other respects remain in full force and effect.
- L. Binding Effect. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, executors, administrators, successors, and assigns.
- M. Choice of Law. This Agreement shall be governed by, and interpreted under the laws of the state of Louisiana, without regard to said state's conflicts of laws doctrines.
- N. Survival. The obligations set forth in ¶¶ A, C, D, G, J, & L, shall survive the termination of this Agreement.
- O. Authority. Each party warrants that the person signing below is authorized to sign this Agreement on behalf of such party and to bind such party to the terms of this Agreement.

IN WITNESS WHEREOF, the parties have authorized this Agreement to be executed by their duly authorized representatives in triplicate counterparts, each of which shall constitute an original.

This agreement will be on an on-going basis, unless option to terminate is complied with in a timely manner.

AMENDMENT TO THE AGREEMENT BETWEEN
LOUISIANA DEPARTMENT OF PUBLIC SAFETY & CORRECTIONS
CORRECTIONS SERVICES, DIXON CORRECTIONAL INSTITUTE
THE HUMANE SOCIETY OF THE UNITED STATES
AND
LOUISIANA STATE UNIVERSITY SCHOOL OF VETERINARY MEDICINE

CONTRACT # 646555, Amd #1

This amendment is made and entered into and between the State of Louisiana, Department of Public Safety and Corrections, represented by Richard L. Stalder, hereinafter referred to as "Department" and Dixon Correctional Institute, represented by James M. LeBlanc, Warden and The Humane Society of the United States, hereinafter referred to as "The HSUS", LSU School of Veterinary Medicine, represented by David Senior, BVSc Professor and Heather of Veterinary Medicine, hereinafter referred to as "Agency".

Mailing Address: a) The Humane Society of the United States 200 L. Street, NW, Washington, DC 20037 b) LSU School of Veterinary Medicine Skip Bertman Drive Baton Rouge, LA 70803	Federal Tax Identification or Social Security #: a) b) 72-6000848 2Q
--	---

In consideration of the mutual promises contained herein, the parties hereto agree to the following amendments and intending to be mutually bound, the parties hereby agree as follows:

1. The Contractor agrees that all terms and conditions specified in the original contract shall remain in effect, unless specifically modified by this amendment.
2. The following section(s) of this contract are amended effective 12/01/2007 to read as follows:

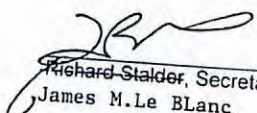

Page 2, 5. Grant: Up to \$600,000 will be available from the HSUS for constructing and equipping the facilities. Equipment and supply materials for constructing the facilities may be made by the Department on behalf of the HSUS and submitted to the HSUS for payment.

3. This amendment is subject to and conditioned upon the availability and appropriation of Federal and/or State funds; and no liability or obligation for payment will develop between the parties until this Amendment has been signed by duly authorized representatives of both parties and approved by the Division of Administration as required.

IN WITNESS WHEREOF, this amendment is signed and entered into on the day below indicated:

EXECUTIVE DEPARTMENT

EXECUTIVE ORDER NO. KBB 2006 - 52

INMATE LABOR FOR CONSTRUCTION OF ANIMAL SHELTERS

WHEREAS, R.S. 15:832.1(A)(1) provides that the governor, upon determining that it is appropriate and in furtherance of the rehabilitation and training of inmates, may, by executive order, authorize the use of inmates of a penal or correctional facility owned by the state of Louisiana for necessary labor in connection with a particular capital construction project on the grounds of the facility;

WHEREAS, the Department of Public Safety and Corrections, Corrections Services, seeks to utilize inmate labor to assist in the construction of a permanent animal holding facility and an emergency animal shelter on the grounds of Dixon Correctional Institute in Jackson, Louisiana; and

WHEREAS, the Department of Public Safety and Corrections has advised that the estimated cost of construction is below the maximum specified in R.S. 15:832.1(A)(1).

NOW THEREFORE I, KATHLEEN BABINEAUX BLANCO, Governor of the state of Louisiana, by virtue of the authority vested by the Constitution and laws of the state of Louisiana, do hereby order and direct as follows:

SECTION 1: In furtherance of the goals of the state of Louisiana of rehabilitating inmates, reducing recidivism, and reintegrating inmates into society, inmate labor is hereby authorized to build a permanent animal holding facility and an emergency animal shelter on the grounds of Dixon Correctional Institute in Jackson, Louisiana.

SECTION 2: This Order is effective upon signature and shall continue in effect until amended, modified, terminated, or rescinded by the governor, or terminated by operation of law.

IN WITNESS WHEREOF, I have set my hand officially and caused to be affixed the Great Seal of Louisiana, at the Capitol, in the city of Baton Rouge, on this 21st day of December, 2006.

ATTEST BY
THE GOVERNOR

/S/ Kathleen Babineaux Blanco

**Amendment Number 08 to Cooperative Endeavor Agreement
By And Between
Iberville Parish Council
and
Louisiana State University and Agricultural and Mechanical College**

The Cooperative Endeavor Agreement entered into by and between Iberville Parish Council and the Board of Supervisors of Louisiana State University and Agricultural and Mechanical College, LSU Proposal Number 36899, is hereby amended as follows:

WHEREAS, Iberville Parish Council and LSU wish to extend this project for another year;

NOW THEREFORE, by mutual consent of the parties, this agreement is hereby amended as follows:

This Agreement shall be for a term of July 1, 2010 to February 1, 2020.

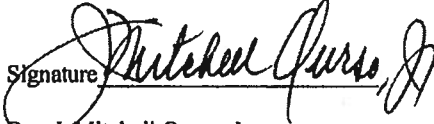

This Agreement's fixed price amount is increased by \$8,500 to \$63,000 for period January 2, 2018 to February 1, 2019. LSU has received the check from Iberville Parish Council for the amount of this project period.

This Agreement's fixed price amount is increased by \$8,500 to \$71,500 for February 2, 2019 to February 1, 2020.

All other terms and conditions of the original Agreement shall remain unchanged.

IN WITNESS WHEREOF, the parties have caused this Amendment to be executed in duplicate.

**STATE OF LOUISIANA
PARISH OF LAFOURCHE**

COOPERATIVE ENDEAVOR AGREEMENT

This Cooperative Endeavor Agreement is entered into this ____ day of _____, 2018
by and between:

Lafourche Parish Government, whose mailing address is Post Office Drawer 5548, Thibodaux,
Louisiana 70302, hereinafter referred to as PARISH and represented by its Parish President
James B. Cantrelle,

And

Louisiana State University (LSU) School of Veterinary Medicine, VCS Department, Skip
Bertman Drive, Baton Rouge, Louisiana 70803, hereinafter referred to as LSU and represented
by its Director of Animal Shelter Medicine, Dr. Wendy Wolfson.

1. PURPOSE AND SCOPE

The PARISH is partnering with LSU, an institution of higher education, so that LSU may
provide necessary services to the Lafourche Parish Animal Shelter which serves the residents
of the Lafourche community.

2. GENERAL CONDITIONS

This agreement is pursuant to Lafourche Parish Council Resolution 18-____ of the
November 27, 2018 Council meeting and as approved by LSU. Said agreement shall
terminate on December 31, 2019.

3. TERMS

It is agreed between the parties that:

- a. LSU shall:
 - i. Provide services to the Lafourche Parish Animal Shelter as follows:
Training classes on a monthly or bi-monthly basis. Provide surgery, at the
Animal Shelter Manager's discretion, regarding the type of surgeries and
number of animals to be serviced. Costs are as follows: Use of mobile
spay/neuter unit--\$150.00 per visit; Spays--\$40.00 each; Neuters--\$20.00
each; Rabies vaccines (if needed)--\$15.00 each; Flea medication (if
needed)--\$5.00 each; Pain medication, nail trim, ear cleaning, tattooing—
no charge.

b. The PARISH shall:

- i. Provide payment to LSU in the amount of \$150.00 per visit/use of mobile spay/neuter unit at the Lafourche Parish Animal Shelter, as well as any fees associated with surgeries, vaccines, and/or medications, as recommended by the Animal Shelter's manager.

Walker Animal Control

LSU Shelter Medicine Program for the year 2015 will provide the City of Walker with veterinary services for their animal shelter. This will include health exams and spay/neuter of adoptable animals. Surgeries of appropriate age will be vaccinated for rabies. Visits will occur once monthly for health exams and once monthly with the mobile unit.

A total of \$4,000 will be paid for these services.

Dr. Wendy Wolfson

Shelter Medicine Program

WAIVER FOR BLOODWORK AND LIABILITY FOR SURGERY OF SHELTER PETS

OCTOBER 2018

WEST BATON ROUGE animal shelter,

waives any bloodwork prior to surgery on our animals by the LSU shelter medicine program.

We understand that this may increase the risk of surgical and anesthetic complications for these animals.

We do not hold any faculty or students libel in case of unexpected injury or death of any animal.

Signature

Justin Fer

Date

10/9/18

What will the veterinarian and student do in your shelter?

The purpose of this course is to introduce students to the unique environments of different shelters and to bring medical convenience and new ideas to these shelters. Students and LSUSVM faculty member (a licensed Louisiana vet) work together to vaccinate, perform physical exams, advise on treatment of ill animals and evaluate changes needed with the physical aspects of the building and management practices. If a shelter is unable to treat ill or injured animals we will recommend removal of the animal to a veterinarian in the area.

If the shelter is of reasonable distance from the veterinary school, the LSU mobile unit may be used for surgeries. The shelter is expected to provide electrical outlets for the mobile unit, clean bathroom facilities and water. There is a charge for surgery and use of the unit.

Thank you for your participation

Through your support in this program we hope to encourage students to support shelters and community outreach programs in areas where they will work after graduation. Your organization's participation will give the students a broader education in surgery, disease control, animal cruelty and pet overpopulation issues.

Unfortunately due to distance and cost restraints, LSU shelter medicine program cannot provide after hours emergency service. The shelter is financially responsible for all medical issues.

For those who do not have a veterinarian on staff we suggest for emergencies:

LSU Veterinary Clinic

Skip Bertman Drive

225-578-9600

Dr. Wolfson can be reached during the week:

wwolfson@vetmed.lsu.edu 225-578-9045, or her cell.

Pre-surgical and post-surgical instructions

ALL PATIENTS MUST BE VACCINATED AND DEWORMED BEFORE THE DESIGNATED SURGERY DAY AND EXAMINED BY THE SHELTER MEDICINE TEAM

ALL MUST BE UNOWNED ANIMALS PAST THEIR STRAY PERIOD

- Minimum weight 3 pounds with sufficient flesh
- Maximum weight 20 pounds
- Patients must be free of contagious skin issues (ringworm, sarcoptic mange, lice)
- Surgical candidates need to be free of respiratory disease
(no obvious nasal discharge or coughing)

ON SURGERY DAY:

-Adult animals should be fasted 6 hours

- Animals **under 6 months** should be fasted only 2 hours. A small meal should be given for breakfast.
- Once surgery is completed, all animals (especially those under 6 months) must be fed a small amount of canned food within 2 hours of surgery. Water give 4 hours after surgery.
- After surgery all animals should be returned to a clean, dry, warm area for 24 hours.
- Severe exercise restriction for 5 days
- Check incisions daily..call Dr Wolfson if there is a problem

Please follow the instruction sheet given for pre and post surgical management of patients in order to minimize complications.

If there are complications from surgery such as swelling, redness, or opening at the incision site please contact Dr Wolfson (225-578-9045) or call her cell.

LSU is providing this surgical service for a low cost to the shelters and therefore cannot take on the added cost of complications. The shelter must assume this responsibility.

We thank you for your participation.

For after hours emergencies please see your veterinarian or:

LSU SVM 225-578-9600 EMERGENCY CLINIC

Skip Bertman Drive (LSU campus)

Baton Rouge

PLEASE SIGN THE FOLLOWING STATING THAT

Our organization has agreed to allow the LSU staff veterinarians, with assistance from veterinary students to diagnose, treat, and perform surgery on our shelter's pets. Our shelter accepts full responsibility for any problems or complications that may occur as result of treatment, anesthesia or surgery.

We understand that LSU's visits will be scheduled by the LSU veterinarian and may vary from month to month. Veterinary visits may need to be supplemented by private veterinary services. LSU reserves the right to discontinue visitation if the need occurs.

***I understand the above statement that the shelter/organization will assume the cost of treatment or surgical complications*.**

Good morning!

Dr. Littlefield is looking for at least 15 cat bodies from which we would need the heads from. Is there any possibility of getting these from you guys? They do not need to be alive when they get here and we can also put them down here if needed.

Thank you,
Allison

Hi Allison-

We will have 7 dogs for you tomorrow. 3 females and 4 males. What time would you like them dropped off?

Thanks,

Jillian

Mon, May 14, 2018 at 11:27 AM

To: Jillian Sergio <jsergio@caabr.org>

Good morning!

If we could aim for 9:15-9:30am, that would be great. Dr. Littlefield has a class that goes until 9 and so it will need to be shortly after then. The males are intact, correct?

Thank you so much!

Allison

Good morning!

We are still finishing up our dogs for the fall semester and need more females. We were unable to use all of the animals in the last batch due to size and skin. They were used by other departments. Will there be 6 female dogs around 40-60lb available this week?

Thank you,
Allison

I'm sorry, I sent that email too soon. Dr Littlefield would actually like to have 5 additional dogs of each sex to have on hand. So this would mean that we still need 5 more intact males and 11 females before we are done with the animals.

Cadavers or live?

We can't provide dogs on Monday 7/9, but can on Tuesday 7/10

At the moment I only have 1 intact female dog scheduled for euth between now and Tuesday. It's possible more may come available, but I don't want to guarantee anything

Good morning!

In addition to the intact females that we have already discussed, there is a second batch of dogs that we are now looking for.

4 dogs, 46-80lb, sex/intact does not matter

The group needs them to be freshly dead, so we can put them down here with our drugs to help with timing.

Would this be possible?

Thank you,
Allison

Fri, May 25, 2018 at 8:21 AM

Good morning!

Could we get live dogs delivered next Tuesday morning?

Thank you,
Allison

To: Alee Vestal-Laborde <[REDACTED]>

I am so sorry about the short notice, but CAA won't be able to deliver live dogs Tuesday. We are having to hold dogs additional time because Animal Control is closed for Memorial day. Wednesday or Thursday we will have dogs available

Good evening,

Desiree sent me your email regarding a request for female dogs this week. I know you normally deal with Amanda, so sorry if I have a few questions about logistics.

Are these live dogs? If so, do you have temperament requirements?
Do you normally pick them up or would we be transporting them to you?
When do you need them?

Thanks so much,

--

Good evening!

We have the live dogs brought to us here at the LSU Vet School anatomy lab and were hoping that Thursday morning (anytime from 8:30-10) would work. We need for them to be close to the range of 45-60lb and preferably intact, but I understand with females that it isn't a known variable like the males. Temperament does not matter for us as they will be sedated upon entering the lab. It is easier for us if they have fairly short hair, but I would rather take a longer haired dog than to not get the animals we need for one last batch.

Thank you for the help! This will be our last batch of animals for the upcoming semester.

Allison

Wed, Aug 1, 2018 at 3:48 PM

To: Alee Vestal-Laborde <[REDACTED]>

Good afternoon,

I can try to have your girls to you by 9:30 if that's ok.

I just got a text from Amanda saying LSU had asked for 4 cadavers on Friday (2 F, 2M). Is this your department? If it is, I probably won't be able to give you cadavers on Thursday.

Thanks so much,

Dr. Sarah

Sarah Hicks <shicks@caabr.org>

Wed, Aug 1, 2018 at 4:50 PM

To: Alee Vestal-Laborde <[REDACTED]>

Hi,

I really sorry about this, but I think I only have 4 female that will fit your specifications. I have one other, but the dog is human aggressive, so I don't know how we would be able to transport her to you without sedating her. Could we get you another female a different day?

[Quoted text hidden]

Alee Vestal-Laborde <[REDACTED]>

Wed, Aug 1, 2018 at 4:52 PM

To: Sarah Hicks <shicks@caabr.org>

We can make 4 females work if we have to. I think that would still cover us for the semester with the few extras that we were hoping for.

[Quoted text hidden]

Sarah Hicks <shicks@caabr.org>

Wed, Aug 1, 2018 at 4:56 PM

To: Alee Vestal-Laborde <[REDACTED]>

Ok good. If you need me to get you another one on another day, I can do that. Do you still want a few cadavers as well tomorrow? One of the cadavers would be the aggressive female.

[Quoted text hidden]

Alee Vestal-Laborde <[REDACTED]>

Wed, Aug 1, 2018 at 4:58 PM

To: Sarah Hicks <shicks@caabr.org>

Yes please. We can take the cadavers tomorrow.

Jessica G Hodgkins

From: Jaycine J Cole
Sent: Tuesday, January 06, 2015 7:53 AM
To: Jessica G Hodgkins
Subject: RE: PO 89538 - Animal Control

I talked with the vendor and they said that the invoice was correct at \$5 per cat.

Jaycine

From: Jessica G Hodgkins
Sent: Monday, December 15, 2014 11:13 AM
To: Jaycine J Cole; Tiffany B Galasso
Subject: PO 89538 - Animal Control

Before I pay the invoice for 10/15/2014, I am wanting to make sure that the vendor is only charging us \$5.00 for cadavers, cats instead of the \$15 listed on the PO. The invoice does not specify dogs or cats.

Please let me know.

Thanks!!

I, too, contacted them and they were to revise the invoice. According to our purchase order, we will pay only \$5.00/cat cadaver. They charged us \$10.00.

Jaycine-

I contact Tangipahoa Parish Animal Control, what we were invoiced wasn't adding up to total amount charged. This is a copy of the correct invoice they missed a page, please review the invoice and adjust the receiving report.

Thanks!

Hi,

I received invoice 15-114 to be paid on LSU purchase order 00101474. The price listed on our PO for a dog cadaver is \$20.00. However, we were charged \$22.00 each on the invoice. Can you please provide a credit memo, revised invoice, or approval to short pay the invoice by \$20.00 (10 cadavers overcharged at \$2.00 each)?

Thanks,

LSU

PETA is a non-profit public interest animal protection organization whose federal tax-exempt number is 52-1218336. As such, PETA requests that a non-profit fee, if available, be applied to the request, or that fees be waived. PETA has no commercial interest in the records requested but seeks them strictly in an effort to ensure the public is fully informed about operations and regulations involving the use of animals in laboratories (an issue of well-

established public importance). If the foregoing request for a non-profit fee is denied, and fees are expected to exceed \$50.00, please notify me to this effect before this disclosure request is processed.

I prefer electronic delivery of responsive records. The requested documents can be emailed to me at JeremyB@peta.org. If that is not possible, please mail them to the address contained in my signature below.

I would request your response within ten (10) business days.

If you choose to deny this request, please provide a written explanation for the denial including a reference to the specific statutory exemption(s) upon which you rely. Also, please provide all segregable portions of otherwise exempt material.

Thank you for your attention to this matter. Please do not hesitate to get in touch with me if you have any questions or require clarification as to the scope of my request.

Sincerely,

Jeremy Beckham, MPA, MPH, CPH

Subject: Request from PETA for Dog Acquisition, Transfer, and Disposition Records

Importance: High

January 15, 2019

LSU President F. King Alexander

Louisiana State University

3810 W. Lakeshore Dr.

Baton Rouge, LA 70808

Sent via email: drichards@lsu.edu

Dear Mr. Alexander:

Pursuant to the state open records law La. Rev. Stat. Ann. Secs. 44:1 to 44:41, I write on behalf of People for the Ethical Treatment of Animals (PETA) to request invoices, intake records, transfer records, necropsies, APHIS Form 7005's, APHIS Form 7006's, or any other record of sale, acquisition, or disposition, related to the following seventy (70) dogs obtained by LSU from the Companion Animal

Alliance of Baton Rouge in 2018:
