

LEFT TO SUFFER FOR DAYS. HEAD RIPPED OFF.

**IF SOMEONE
ABUSED YOUR
DOG THE WAY
A LOCAL EGG
FARM ABUSED
CHICKENS,
THEY'D BE
PROSECUTED.**

Workers at a local egg farm did all of that. And there is no exemption for cruelty to chickens under the law.

If it's not OK to abuse "man's best friend" in that way, why is it allowed on an egg farm?

There *must* be a prosecution.

You may not have the power to prosecute, but you do have the power of the purse: **Don't buy eggs!**

STOP THEIR SUFFERING. GO VEGAN TODAY.
