RE: OSHA Referral No. 867504

Dear Ms. Winders:

In response to your referral concerning safety/health hazards at the **Stone Mountain Game Ranch dba Yellow River Game Ranch** worksite located at 4525 Stone Mountain Highway, Lilburn, Georgia, the Occupational Safety and Health Administration (OSHA) conducted an inspection there. That inspection was opened on January 14, 2014.

The results of our investigation are as follows:

ITEM 1: Employees are exposed to hazards associated with "free-contact" with bear.

FINDINGS: The CSHO did not observe employees inside the bear, mountain lion, buffalo, or deer pens during the inspection. Interviews with management and employees indicate that the employees do enter these pens while the animals are free in the pens exposing the employees to maulings, and injuries from animal attacks. Interviews indicated employee exposure to animal attacks within the previous six months prior to the inspection. A violation has been proposed.

ADDITIONAL FINDINGS: The CSHO observed employees exposed to infectious materials which can cause injury or illness while cleaning animal pens without using personal protective equipment. Employees were observed shoveling and sweeping animal manure inside and outside of animal pens and stalls. Interviews indicate that employees use chemicals which include but are not limited to soaps and bleach while spraying down cement slabs to clean the animal stalls and pens. Further, investigation and interviews indicated that employees are exposed to eye, skin, and lung irritation while using chemicals which include but are not limited to insecticides, repellents, fungicides, and herbicides on the job. The CSHO recommended that the employer develop and implement a Hazard Communication Program to instruct the employees how to recognize and minimize these hazards.

Enclosed for your information is a copy of the Citation and Notification of Penalty which was sent to the employer, and should have been posted at the workplace for at least three days after receipt.

If you do not agree with our inspection results, you may contact me for clarification of the matter. You also have the right to an informal review by the OSHA Regional Administrator, who may be contacted at the following location:

Kurt A. Petermeyer, Regional Administrator
Occupational Safety and Health Administration
Atlanta Federal Center
61 Forsyth Street, SW, Room 6T50
Atlanta, GA 30303
678-237-0400

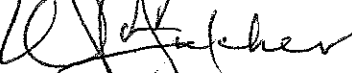

This review may be obtained by submitting a written statement of your position with the Regional Administrator.

Section 17(g) of the OSH Act states that it is unlawful to make any false statement, representation or certification in any document filed pursuant to the Occupational Safety and Health Act of 1970. Violations can be punished by a fine of not more than \$10,000, or by imprisonment of not more than six months, or by both.

Section 11(c) of the OSH Act provides protection for employees against discrimination because of their involvement in protected safety and health related activity. If you believe you are being treated differently or action is being taken against you because of your safety or health activity, you may file a complaint with OSHA. You should file this complaint as soon as possible, since OSHA can accept only those complaints filed within 30 days of the alleged discriminatory action.

Thank you for your interest in a safe and healthful work place.

Respectfully,

William C. Pulcher
Area Director

You must abate the violations referred to in this Citation by the dates listed and pay the penalties proposed, unless within 15 working days (excluding weekends and Federal holidays) from your receipt of this Citation and Notification of Penalty **you either call to schedule an informal conference (see paragraph below) or you mail a notice of contest** to the U.S. Department of Labor Area Office at the address shown above. Please refer to the enclosed booklet (OSHA 3000) which outlines your rights and responsibilities and which should be read in conjunction with this form. Issuance of this Citation does not constitute a finding that a violation of the Act has occurred unless there is a failure to contest as provided for in the Act or, if contested, unless this Citation is affirmed by the Review Commission or a court.

Posting - The law requires that a copy of this Citation and Notification of Penalty be posted immediately in a prominent place at or near the location of the violation(s) cited herein, or, if it is not practicable because of the nature of the employer's operations, where it will be readily observable by all affected employees. This Citation must remain posted until the violation(s) cited herein has (have) been abated, or for 3 working days (excluding weekends and Federal holidays), whichever is longer.

Informal Conference - An informal conference is not required. However, if you wish to have such a conference you may request one with the Area Director during the 15 working day contest period. During such an informal conference you may present any evidence or views which you believe would support an adjustment

to the citation(s) and/or penalty(ies).

If you are considering a request for an informal conference to discuss any issues related to this Citation and Notification of Penalty, you must take care to schedule it early enough to allow time to contest after the informal conference, should you decide to do so. Please keep in mind that a written letter of intent to contest must be submitted to the Area Director within 15 working days of your receipt of this Citation. The running of this contest period is not interrupted by an informal conference.

If you decide to request an informal conference, please complete, remove and post the Notice to Employees next to this Citation and Notification of Penalty as soon as the time, date, and place of the informal conference have been determined. Be sure to bring to the conference any and all supporting documentation of existing conditions as well as any abatement steps taken thus far. If conditions warrant, we can enter into an informal settlement agreement which amicably resolves this matter without litigation or contest.

Right to Contest – You have the right to contest this Citation and Notification of Penalty. You may contest all citation items or only individual items. You may also contest proposed penalties and/or abatement dates without contesting the underlying violations. **Unless you inform the Area Director in writing that you intend to contest the citation(s) and/or proposed penalty(ies) within 15 working days after receipt, the citation(s) and the proposed penalty(ies) will become a final order of the Occupational Safety and Health Review Commission and may not be reviewed by any court or agency.**

Notification of Corrective Action – For each violation which you do not contest, you must provide ***abatement certification*** to the Area Director of the OSHA office issuing the citation and identified above. This abatement certification is to be provided by letter within 10 calendar days after each abatement date. Abatement certification includes the date and method of abatement. If the citation indicates that the violation was corrected during the inspection, no abatement certification is required for that item. A sample abatement certification letter is enclosed with this Citation. In addition, where the citation indicates that ***abatement documentation*** is necessary, evidence of the purchase or repair of equipment, photographs or video, receipts, training records, etc., verifying that abatement has occurred is required to be provided to the Area Director.

OSH ACT of 1970 Section (5)(a)(1): The employer did not furnish employment and a place of employment which were free from recognized hazards that were causing or likely to cause death or serious physical harm to employees, in that employees were allowed to have direct contact with apex predators to include black bears, bobcats, and a mountain lion during sanitation and feeding:

On or about January 14, 2014, at 4525 Stone Mountain Highway, Lilburn, Georgia:

Employees were exposed to potential attacks from captive black bears, and bobcats while performing activities including but not limited to sanitation and feeding.

Among other possible methods to abate this violation, one feasible and acceptable method to correct this hazard is to contain the animals using barriers or other means at one end of the enclosure while the employees are performing the sanitation and feeding activities at the other end of the enclosure prior to allowing employees to enter the enclosure.

In accordance with 29 CFR 1903.19(d), abatement certification is required for this violation (using the CERTIFICATION OF CORRECTIVE ACTION WORKSHEET), and in addition, documentation demonstrating that abatement is complete must be included with your certification. OSHA does not agree to any restrictions or conditions or endorsements put on any check, money order, or electronic payment for less than the full amount due, and will cash the check or money order as if these restrictions or conditions do not exist.

If a personal check is issued, it will be converted into an electronic fund transfer (EFT). This means that our bank will copy your check and use the account information on it to electronically debit your account for the amount of the check. The debit from your account will then usually occur within 24 hours and will be shown on your regular account statement. You will not receive your original check back. The bank will destroy your original check, but will keep a copy of it. If the EFT cannot be completed because of insufficient funds or closed account, the bank will attempt to make the transfer up to 2 times.

Pursuant to the Debt Collection Act of 1982 (Public Law 97-365) and regulations of the U.S. Department of Labor (29 CFR Part 20), the Occupational Safety and Health Administration is required to assess interest, delinquent charges, and administrative costs for the collection of delinquent penalty debts for violations of the Occupational Safety and Health Act.

Interest: Interest charges will be assessed at an annual rate determined by the Secretary of the Treasury on all penalty debt amounts not paid within one month (30 calendar days) of the date on which the debt amount becomes due and payable (penalty due date). The current interest rate is one percent (1%). Interest will accrue from the date on which the penalty amounts (as proposed or adjusted) become a final order of the Occupational Safety and Health Review Commission (that is, 15 working days from your receipt of the Citation and Notification of Penalty), unless you file a notice of contest. Interest charges will be waived if the full amount owed is paid within 30 calendar days of the final order.

Delinquent Charges: A debt is considered delinquent if it has not been paid within one month (30 calendar days) of the penalty due date or if a satisfactory payment arrangement has not been made. If the debt remains delinquent for more than 90 calendar days, a delinquent charge of six percent (6%) per annum will be assessed accruing from the date that the debt became delinquent.

Administrative Costs: Agencies of the Department of Labor are required to assess additional charges for the recovery of delinquent debts. These additional charges are administrative costs incurred by the Agency in its attempt to collect an unpaid debt. Administrative costs will be assessed for demand letters sent in an attempt to collect the unpaid debt.
