

PETA IS PLEASED TO SPONSOR

*Olivia*

IN HONOR OF

*Ricky Martin,*

WHO HAS BEEN ENJOYING  
MEAT-FREE MEALS, SAVING  
COUNTLESS ANIMALS  
JUST LIKE HER FROM  
AN AGONIZING LIFE  
AND A PAINFUL DEATH.

Olivia was rescued by Kindred Spirits Sanctuary after her body was completely exhausted. Chickens are inquisitive animals who are as intelligent as cats and dogs. Olivia is very sociable and likes to spend her days scratching for food, taking dust baths, roosting in trees, and basking in the sun.

*Thank you, Ricky, for your healthful  
and humane lifestyle!*
