UNITED STATES DEPARTMENT OF AGRICULTURE
BEFORE THE SECRETARY OF AGRICULTURE

RECEIVED

In re:) AWA Docket No. 16-0036
)
SUMMER WIND FARM SANCTUARY,)
a Michigan corporation,)
)
Respondent.) AMENDED COMPLAINT

There is reason to believe that the Respondent named herein violated the Animal Welfare Act, as amended (7 U.S.C. § 2131 et seq.) (Act or AWA), and the regulations issued thereunder (9 C.F.R. § 1.1 et seq.) (Regulations). Therefore, the Administrator of the Animal and Plant Health Inspection Service (APHIS) issues this amended complaint alleging the following:

JURISDICTIONAL ALLEGATIONS

1. Summer Wind Farm Sanctuary is a Michigan corporation (759989) whose president and registered agent for service of process is Charles A. Vanneste, 6490 Mowerson Road, Brown City, Michigan 48416. At all times mentioned herein, Respondent was operating as an exhibitor, as that term is defined in the Act and the Regulations, and held AWA license number 34-C-0227.

ALLEGATIONS REGARDING THE SIZE OF THE BUSINESS, GRAVITY OF THE
ALLEGED VIOLATIONS, GOOD FAITH AND COMPLIANCE HISTORY

2. Respondent operates a zoo and exhibits over 40 wild and exotic animals.

3. The complaint alleges repeated instances in which Respondent failed to provide APHIS inspectors access to conduct inspections of Respondent's animals, facilities and records, failed to provide adequate veterinary care to animals, failed to handle animals as carefully as possible, and failed to meet the minimum Standards requirements. Respondent's alleged violations occurred over an extended period of time from November 6, 2012 through

July 26, 2016.

4. Despite having been advised on multiple occasions by APHIS of noncompliance with the Regulations and with the Standards promulgated under the Act, Respondent has continued to fail to meet the minimum requirements.

5. Respondent has a history of previous violations. On March 8, 2012, an administrative law judge (ALJ) issued a consent decision and order in *In re Summer Wind Farm Sanctuary, a Michigan corporation*, 71 Agric. Dec. 496 (2012)(AWA Docket No. 11-0223) (Consent decision and order). The ALJ found that Respondent committed the following willful violations on the following occasions:

FAILURE TO OBEY CEASE AND DESIST ORDER

6. The Decision and Order in AWA Docket No. 11-0223 provided, in part:

“Respondent, its agents and employees, successors and assigns, directly or through any corporate or other device, shall cease and desist from violating the Act and the regulations and standards issued thereunder.”

The order became final and effective on March 8, 2012. On each of the dates herein, Respondent knowingly failed to obey the cease and desist order made by the Secretary under section 2149(b) of the Act (7 U.S.C. § 2149(b)), in the above case. Pursuant to section 2149(b) of the Act, and 7 C.F.R. § 3.91, Respondent is subject to a civil penalty of \$1,650 for each knowing failure to obey the Secretary’s cease-and-desist order. 7 U.S.C. § 2149(b); 7 C.F.R. § 3.91.

ALLEGED VIOLATIONS

7. On November 6, 2012, January 15, 2013, March 11, 2013, June 25, 2013, December 3, 2013, April 24, 2014, June 19, 2014, June 30, 2015, and January 19, 2016, Respondent failed to provide APHIS with access for inspection and/or to have a responsible

adult available to accompany APHIS officials during inspection, in willful violation of the Act and the Regulations. 7 U.S.C. § 2146(a), 9 C.F.R. § 2.126.

8. On or about the following dates, Respondent willfully violated the Regulations, 9 C.F.R. §§ 2.40(a), 2.40(b)(1), 2.40(b)(2), 2.40(b)(3), by failing to provide adequate veterinary medical care to animals and by failing to establish and maintain adequate programs of veterinary care that include the availability of appropriate personnel and services, the use of appropriate methods to prevent, control, diagnose, and treat diseases and injuries, and daily observation of all animals:

a. December 5, 2012. Without consulting the attending veterinarian, Respondent treated a sick lemur by adding an unknown quantity of amoxicillin to the lemur's drinking water, and the lemur died two days later.

b. August 5, 2013. APHIS inspectors observed a bison that was very thin, with prominent hip bones and noticeable ribs, and Respondent had no records of having obtained veterinary care for the bison, which was subsequently euthanized.

c. On or about November 2013. Respondent observed that a Rhesus monkey showed signs of having had a stroke, and the monkey died the following week, without having been provided any veterinary care, and Respondent failed to have a necropsy performed to determine the cause of death.

d. March 4, 2014. A tiger (Khan) had a lesion across the tip of his nose and tail, and appeared very thin with prominent hip and back bones.

e. March 18, 2014. A tiger (Khan), which had a lesion on his tail on March 4, 2014, still had the lesion, which had become raw and bleeding.

f. July 1, 2014. A tiger (JJ) was observed to be drooling and thin, with

prominent hips and backbone.

g. August 13, 2014. A brown goat had an overgrown toe on its right rear foot.

h. September 9, 2014 and October 2, 2014. Respondent's written program of veterinary care did not address care for all of respondent's animals, specifically bobcats.

i. September 9, 2014. The brown goat that had an overgrown toe on August 13, 2014, had not had its hooves trimmed, and its toe was still overgrown.

j. September 9, 2014, October 2, 2014. A white goat had overgrown toes on both rear feet.

k. October 2, 2014. The brown goat that had one overgrown toe on August 13, 2014, and September 9, 2014, had overgrown toes on both rear feet.

l. October 2, 2014. A white fox had drainage coming from its right ear.

m. December 16, 2014, February 10, 2015. The brown goat that had not had its hooves trimmed since well before August 2014, had overgrown toes and difficulty walking.

n. February 10, 2015. A tiger (Sher Kahn) had difficulty standing and appeared to be very weak.

o. February 10, 2015, March 24, 2015. A macaque (Huey) had a raw wound on the tip of his tail.

p. March 24, 2015. A tiger (Sher Kahn) that had difficulty standing on February 10, 2015, still had difficulty standing, and had pink lesions on the tops of both rear feet.

- q. May 5, 2015. A tiger (Mohan) had a skin lesion on his left side.
- r. October 6, 2015. Respondent's personnel, rather than a veterinarian, euthanized an Artic fox and a skunk, by injection, in a manner contrary to Respondent's program of veterinary care.
- s. November 18, 2015. A cougar (Mattie) had skin lesions on her right hip and back.
- t. February 23, 2016. Respondent gave a tiger (Daisy) an unnamed supplement without consulting a veterinarian.
- u. May 17, 2016. Three ring-tailed lemurs were thin, with sparse coats.
- v. May 17, 2016. Two alpacas had overgrown rear toes.
- w. May 31, 2016. Respondent's personnel shot a tiger (JJ) in the head as a form of "euthanasia."
- x. July 26, 2016. Respondent failed to shear an alpaca with an overly long coat.

9. On or about October 6, 2015, Respondent failed to handle animals as carefully as possible in a manner that does not cause them behavioral stress, physical harm, or unnecessary discomfort, in willful violation of the Regulations, 9 C.F.R. § 2.131(b)(1), and specifically, Respondent's personnel euthanized two animals, an Artic fox and a skunk, in a manner contrary to respondent's own program of veterinary care, which provided (1) that a veterinarian would euthanize Respondent's animals; and (2) that the euthanasia would be performed by injection of euthanasia solution intravenously or intraperitoneally.

10. On or about May 31, 2016, Respondent failed to handle animals as carefully as possible, in a manner that does not cause them behavioral stress, physical harm, or unnecessary

discomfort, in willful violation of the Regulations, 9 C.F.R. § 2.131(b)(1), and specifically, Respondent's personnel "euthanized" a tiger (JJ) by shooting it in the head.

11. On or about December 5, 2012, Respondent willfully violated section 2.100(a) of the Regulations, 9 C.F.R. § 2.100(a), by failing to meet the standards promulgated under the Act, 9 C.F.R. Part 3 (Standards):

- a. The meat cooler was dirty with blood and other meat juices, and the produce cooler contained spoiled produce. 9 C.F.R. § 3.125(c).
- b. Despite below-freezing temperatures, several enclosures contained no bedding. 9 C.F.R. § 3.127(b).
- c. The llama enclosure contained excess feces. 9 C.F.R. § 3.131(a).

12. On or about February 4, 2013, Respondent willfully violated section 2.100(a) of the Regulations, 9 C.F.R. § 2.100(a), by failing to meet the Standards:

- a. The produce cooler contained spoiled produce. 9 C.F.R. § 3.125(c).
- b. Several enclosures contained excessive bones and food waste. 9 C.F.R. § 3.125(d).
- c. Despite below-freezing temperatures, several enclosures contained no bedding. 9 C.F.R. § 3.127(b).
- d. The water receptacles for several animals contained blocks of ice rather than water. 9 C.F.R. § 3.130.

13. On or about April 11, 2013, Respondent willfully violated section 2.100(a) of the Regulations, 9 C.F.R. § 2.100(a), by failing to meet the Standards:

- a. The meat cooler floor was covered with meat drippings and debris, and insulation from the cooler walls was piled into one corner of the cooler. 9 C.F.R. §

3.125(c).

14. On or about August 5, 2013, Respondent willfully violated section 2.100(a) of the Regulations, 9 C.F.R. § 2.100(a), by failing to meet the Standards:

a. The baboon enclosures contained dirty water receptacles. 9 C.F.R. § 3.83.

b. Respondent failed to maintain an enclosure housing two American black bears in good repair so that animals were contained. 9 C.F.R. § 3.125(a).

c. The meat cooler floor had a pool of bloody water in it, in addition to an accumulation of dirt and grime. 9 C.F.R. § 3.125(c).

d. The food receptacle box of an enclosure housing two Asian black bears contained rotting food debris. 9 C.F.R. § 3.129(b).

e. Respondent fed a bison feed placed on the manure/dirt substrate of its enclosure. 9 C.F.R. § 3.129(b).

f. Water receptacles for several animals contained layers of scum. 9 C.F.R. § 3.130.

g. The den area for the enclosure containing two American black bears contained an excessive amount of old bones and fecal matter. 9 C.F.R. § 3.131(a).

h. Respondent did not employ a sufficient number of adequately-trained employees. 9 C.F.R. § 3.132.

15. On or about September 9, 2013, Respondent willfully violated section 2.100(a) of the Regulations, 9 C.F.R. § 2.100(a), by failing to meet the Standards:

a. Respondent failed to maintain the fence for the enclosure housing one goat in good repair so that the animal was contained and protected from injury. 9

C.F.R. § 3.125(a).

b. The meat cooler had an accumulation of dirt and grime on it, and the produce cooler contained spoiled produce. 9 C.F.R. § 3.125(c).

16. On or about January 9, 2014, Respondent willfully violated section 2.100(a) of the Regulations, 9 C.F.R. § 2.100(a), by failing to meet the Standards:

a. Respondent failed to have potable water accessible to three domestic cats. 9 C.F.R. § 3.10.

17. On or about January 29, 2014, Respondent willfully violated section 2.100(a) of the Regulations, 9 C.F.R. § 2.100(a), by failing to meet the Standards:

a. The produce cooler contained moldy produce. 9 C.F.R. § 3.125(c).

b. The shelter housing the grizzly bear contained no bedding, despite below-freezing temperatures. 9 C.F.R. § 3.127(b).

c. Rodent feces were present on a shelf in the produce cooler. 9 C.F.R. § 3.131(d).

18. On or about March 4, 2014, Respondent willfully violated section 2.100(a) of the Regulations, 9 C.F.R. § 2.100(a), by failing to meet the Standards:

a. The water receptacle in an enclosure housing a macaque was filled with snow and ice. 9 C.F.R. § 3.83.

b. The produce cooler contained moldy produce. 9 C.F.R. § 3.125(c).

c. The shelter housing the llama contained no bedding, despite below-freezing temperatures. 9 C.F.R. § 3.127(b).

d. A section of the perimeter fence had a gap between the fencing and the ground, and an animal was using the gap to enter and/or exit the facility. 9 C.F.R. §

3.127(d).

- e. A partially processed cow was left hanging outside in the butcher area.

9 C.F.R. § 3.129(a).

- f. Several enclosures had water containers filled with ice. 9 C.F.R. § 3.130.

g. The counter in the butcher area was covered with blood and meat scraps, and the produce cooler door was covered in blood and animal tissue. 9 C.F.R. § 3.131(c).

h. There were rodent feces on a shelf in the produce cooler. 9 C.F.R. § 3.131(d).

i. Respondent did not employ a sufficient number of adequately-trained employees. 9 C.F.R. § 3.132.

j. Respondent housed incompatible animals together, specifically a tiger (Kahn) in need of veterinary care, and a tiger (Sundar) that had a history of compatibility issues with Kahn. 9 C.F.R. § 3.133.

19. On or about March 5, 2014, Respondent willfully violated section 2.100(a) of the Regulations, 9 C.F.R. § 2.100(a), by failing to meet the Standards:
