<p>The U.S. Department of Agriculture has evidence that on or about the date(s) listed below, you or your organization committed the following alleged violation(s) of Federal laws:</p> <p>Date of Alleged Violation: May 28, 2025</p> <p>9 C.F.R. § 3.80(a)(2)(ii) Primary enclosures.</p> <p>Primary enclosures for nonhuman primates must meet the following minimum requirements:</p> <p>General requirements.</p> <p>Primary enclosures must be constructed and maintained so that they:</p> <p>Protect the nonhuman primates from injury.</p>	

The Animal and Plant Health Inspection Service (APHIS) published federal regulations to ensure the welfare of animals and help prevent the spread of animal and plant pests and diseases. Since violations of the regulations can have serious and costly impacts that are detrimental to the public interest, APHIS is providing you with an Official Warning for the alleged violation(s) described above. This Official Warning is not to be construed as a final agency action, or as an adjudicated finding of a violation. If APHIS obtains evidence of any future violation of these federal regulations, APHIS may pursue sanctions, which may include criminal prosecution, for this alleged violation(s) and for any future violation(s). If you have any questions concerning this Official Warning or alleged violation(s), please contact the APHIS official listed in this notice.
