

Did you know?

Rats not only fall in love, but they:

- ♥ Are loyal and form strong bonds with each other
- ♥ Choose carefully who they spend time with
- ♥ Show empathy and are altruistic
- ♥ Will forgo treats to save another rat from suffering, including strangers
- ♥ Remember past kindnesses and reciprocate favors
- ♥ Laugh and jump for joy when tickled
- ♥ Are enduring, resourceful, and devoted
- ♥ Are affectionate and adore companionship
