Owner Charles River Laboratories Reno, NV Animal Location Washoe County, NV Submitter Stephanie Norcross Charles River Laboratories 6995 Longley Ln Reno, NV, USA 89511 RNO-NecropsyManagement@crl.com	Accession Number: 25G04642 NFC Control Number: 19626006391 Date Received: November 26, 2025 Date Completed: December 3, 2025 Purpose: Confirmation Referral Number: I00135813NOV2025 Country of Origin: Vietnam Collected By: Stephanie Norcross This is a billable case.
--	---

The direct PCR has not been validated for use with the species tested here. The results reported here are based on criteria established for validated species.

NOTE: Condition of the sample(s) was adequate unless otherwise noted.

Animal ID1: 40126F - Animal/Herd ID	Species: Monkey, Cynomolgus Macaque
Animal ID2: I-001358 - Animal/Herd ID	Age: 3, Y
Sex: Female	Location: Washoe County, NV

NVSL Sample ID: 25G04642-001	Specimen Type: Liver
	Date Collected: November 13, 2025
Mycobacterium Tuberculosis Complex (MTBC) real-time PCR* Date Completed: December 3, 2025	
Result	Not Detected

NVSL Sample ID: 25G04642-002	Specimen Type: Lung
	Date Collected: November 13, 2025
Mycobacterium Tuberculosis Complex (MTBC) real-time PCR* Date Completed: December 3, 2025	
Result	Not Detected

NVSL Sample ID: 25G04642-003	Specimen Type: Spleen
	Date Collected: November 13, 2025
Mycobacterium Tuberculosis Complex (MTBC) real-time PCR* Date Completed: December 3, 2025	
Result	Not Detected

NVSL Sample ID: 25G04642-004	Specimen Type: Lymph Node, Axillary
	Date Collected: November 13, 2025
Mycobacterium Tuberculosis Complex (MTBC) real-time PCR* Date Completed: December 3, 2025	
Result	Not Detected

NVSL Sample ID: 25G04642-005	Specimen Type: Lymph Node, Cervical
	Date Collected: November 13, 2025
Mycobacterium Tuberculosis Complex (MTBC) real-time PCR* Date Completed: December 3, 2025	
Result	Not Detected

NVSL Sample ID: 25G04642-006	Specimen Type: Lymph Node, Inguinal
	Date Collected: November 13, 2025

Mycobacterium Tuberculosis Complex (MTBC) real-time PCR*

Date Completed: December 3, 2025

Result

Not Detected

NVSL Sample ID: 25G04642-007

Specimen Type:

Lymph Node, Tracheobronchial

Date Collected:

November 13, 2025

Mycobacterium Tuberculosis Complex (MTBC) real-time PCR*

Date Completed: December 3, 2025

Result

Not Detected

NVSL Sample ID: 25G04642-008

Specimen Type:

Liver

Date Collected:

November 13, 2025

Mycobacterium Tuberculosis Complex (MTBC) real-time PCR*

Date Completed: December 3, 2025

Target Ct

34.6

Result

Detected

The sample was listed as a liver lesion.

NVSL Sample ID: 25G04642-009

Specimen Type:

Stomach

Date Collected:

November 13, 2025

Mycobacterium Tuberculosis Complex (MTBC) real-time PCR*

Date Completed: December 3, 2025

Target Ct

37.4

Result

Detected

The sample was listed as a stomach lesion.
