Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 1:30 PM on 16 July 2026. The inspector attempted to contact the licensee/registrant by calling both numbers and rang the doorbell, waited half an hour and called again. Registrant replied after 2 PM that no one was available today. Failure to provide access to the facility, animals, and records for inspection is a violation of the AWA and regulations. Continued failure to provide access is serious and may result in enforcement action.
