Additional Information

Description	I am writing to raise concerns about an unpermitted "pet shop" operating at 430 S. Los Angeles Street, within the North Central Shelter Area, in the Toy District of Downtown Los Angeles.	Date/Time Opened	2/26/2026, 11:27 AM
	The operator, doing business as "Al's Pet & Supplies," appears to be selling birds and other small animals, including mice		

and rabbits, on the public right-of-way outside of the store. It appears the operator does not hold the required Pet Shop permits issued by LA Animal Services (LAAS). Additionally, the operator may be in violation of the Department's Pet Shop Rules and Regulations by failing to prominently display a valid LAAS permit and by selling animals on the public right-of-way.

KAREN BASS
MAYOR

Lori Kettler
VIA E-MAIL: <LoriK@petaf.org>

Re: California Public Records Act Request

Dear Ms. Kettler:

This letter responds to your California Public Records Act ("CPRA") request, dated April 22, 2026 to the Office of the Mayor of Los Angeles ("Office") stating:

"PETA requests the following public information dated November 6, 2025, to the present that pertains to animal welfare in the area commonly referred to as "Skid Row," officially known as Central City East and bordered by Third Street to the north, Seventh Street to the south, Alameda Street to the east, and Main Street to the west:

All records, as defined by the California Public Records Act relied on by the Mayor or her staff to support the statement reported by KTLA5 on April 17, 2026, in relevant part as follows:

More than 100 LAPD Operations-Central Bureau officers have received intensive training focused on animal cruelty. Since then, animals have been rescued, multiple citations and arrests have been made, and potential animal abuse or cruelty cases have been referred to the District Attorney and City Attorney. In addition to conducting follow-ups with roughly 100 dog owners to address complaints, LAPD and LA Animal Services have also partnered on support and prevention efforts, providing pet owners with food, leashes, and other essential supplies, and helping ensure access to veterinary care when necessary."

("Request")

Enclosed please find non-exempt records responsive to your request. Some of the responsive records contained preliminary drafts, deliberative discussions where the public interest in nondisclosure clearly outweighs the public interest in disclosure and so have been withheld pursuant to Government Code sections 7927.500, 7927.705, and 7922.000. Your Request is now closed.

Sincerely,

/s/

Alejandra Perez

Office of Mayor Karen Bass
